**WINTER COAT & SOCKS
GIVEAWAY**

**NOVEMBER 23RD
10AM-12PM**

Dear Community Partner,

Spread the Love Foundation (STLF) is a Cleveland-based 501(c)(3) nonprofit founded by Bone Thugs-N-Harmony member Anthony "Krayzie Bone" Henderson. Our mission is rooted in creating opportunity, strengthening community and investing in Cleveland neighborhoods through education, workforce development and meaningful community programming.

This winter, we invite you to partner with us for Spread the Warmth 2026, our annual effort to help Cleveland children, individuals and families prepare for the cold-weather season.

Through Spread the Warmth, STLF brings together community partners, businesses and volunteers to distribute essential winter items—including coats, socks and other cold-weather necessities—while creating a welcoming community experience for the families we serve.

HELP US SPREAD THE WARMTH

We are seeking corporate sponsors, community partners and in-kind donors to help us expand the impact of this year's initiative.

Your sponsorship directly supports the purchase and distribution of winter essentials, event operations and our ability to reach families throughout Cleveland.

In addition to making a meaningful community investment, sponsors can receive recognition through event signage, digital and social media, promotional materials, on-site activation opportunities and event-related media exposure based on sponsorship level.
